SPEAKERS' FORUM – Report for 2016

Speakers' Forum is an intellectually inspired luncheon group that started around a couple of decades ago.

Those joining the group make a commitment to carry out research on a topic of interest to the group and make a presentation at a monthly luncheon meeting. These meetings are generally held at the Algonquin College restaurant.

Occasionally, an outside speaker is invited to share his/her expertise in a particular area of interest to the Group.

Some of the presentations in 2016-17 were:

- Estate Planning
- Thought-provoking Predictions
- Equality and Democracy
- Autonomous Vehicles
- Cultural Shift to Sustainability, and
- Before and after Jallianwala Bagh

The Forum welcomes new members. For more information, please contact Pardeep Ahluwalia at 613 526-4467 or Beant Barewal at 613 226-5990.
